Popular Boyes Springs Resident Suffers Accident at Mare Island.

Ray Button, the well known resident of Boyes Springs, who of late has been employed on government work at Mare Island has been confined to the hospital in Vallejo as the result of a serious accident last week.

Button was engaged in riveting work and while on a staging with his helper, placed a board against a derrick which he believed to be stationary. The derrick however was in operation and some time later when Button stepped upon the plank which rested on it, the hoisting apparatus began to move and the young man was thrown down sixteen feet, sustaining a broken hip, lacerations and contusions of the face and limbs. At latest accounts he was resting as easy as could be expected.

His mother, Mrs. Sam Button of Boyes, was down to see her injured son this week.

## FINAL SUMMONS FOR LOVED ONE

Mrs. C. Soderberg Died On Monday In Santa Rosa.

Mrs. Chas. Soderberg passed away in Santa Rosa Monday, following an illness of long duration.

With Christian fortitude and great patience she endured much suffering both prior to and following an operation which her loved ones had hoped would restore her health.

Her sailor boy, Axel, who is in the Navy was summoned home some time ago, when it seemed that the angel of death hovered near, but it was not until last Monday that the final summons came and the gentle spirit of a dutiful and loving wife and mother passed to the great beyond.

Mrs. Soderberg was the wife of Chas. Soderberg, the well-known farmer, and the mother of Mrs. Frank Knolle, the former popular teacher, Miss Alice Soderberg, Axel Soderberg of the U. S. Navy is the only son.

Funeral services were held at the M. E. Church last Wednesday, with cremation later at Oakland.

The Watmaugh school will reopen on Monday.

The schools here opened last Monday with splendid attendance.

Many were the words of sympathy heard on all sides when news of the death of Congressman Lea's six year old son reached here. The boy died in Washington following an operation and the grief stricken parents traveled across the continent with his body, arriving home in Santa Rosa Thursday.

Chas. Stornetti and party and Joe Ryan took in the State Fair at Sacramento last week.

## MISSING SOLDIER WRITES MOTHER

P. W. Moscowitz Reported Missing In Action Is At Last Heard From

P. W. Moscowitz, whose mother some time ago heard that her son was missing in action, has written to his anxious parent that he is alive and well.

Young Moscowitz says he did not return to camp for five days after a terrific engagement, and was thought to be dead or a prisoner, instead he was in a shell hole where he kept under cover for five days before daring to emerge. When he left his close quarters and started back to rejoin his comrades he brought in his machine gun with him, much to the relief and surprise of the company.

He wrote two letters home immediately, and needless to say, his mother is over-joyed at hearing from him. She had faith that he was not dead but at the best thought he might be a prisoner somewhere in a German camp.

## FATHER AND SON ARE BADLY INJURED

The Rev. L. D. Rathbone, former pastor of the Santa Rosa Congregational Church, and his son, Alfred Rathbone, of the Willowood Dairy, were both seriously injured Thursday afternoon while working at the ranch when a flywheel burst.

Rev. Rathbone was struck by the belt and knocked unconscious, but escaped any serious injury. He was soon brought around and the only ill effects was the bruises and minor cuts.

Alfred Rathbone, however, was struck by a piece of the flywheel and received a severe injury on the head, which rendered him unconscious for some time and caused a hemorrhage, which indicated a slight fracture of the skull and was given treatment at a hospital and at midnight was reported to be resting comfortably with every prospect of ultimate recovery. His injuries are quite painful and will keep him from work for some time to come.—Press Democrat.

Mrs. Laene Rambo Seawell has accepted a position at the Sonoma Valley Bank. Archie Revile expects to go into the Government service.

Mrs. O. W. Johnson of Agua Caliente has been ill for the past week.

Mrs. Clark of Oakland has returned home, having completely recovered from a recent operation, at Dr. Gobar's sanitarium.

Mrs. Will Helberg, Jr., has been on the sick list the past week.

P. Quartaroli of the Sebastiani Cannery Co., has recovered from a three day's sick spell. He was under the care of Dr. Gobar.

Chas. Genazzi of Petaluma, has closed a deal with Peter Best of Oregon, who has leased the 80-acre Lehrke ranch for term of years. Best is a cattle and stock raiser.

George Angove who arrived in France some weeks ago has been in the hospital over there with the mumps. George's many friends here realize that mumps and trombone playing do not go very well together and sincerely hope that the talented young man is all right ere this.

Mr. and Mrs. Jack Ford of Santa Rosa motored down Sunday to attend the funeral of Mrs. Martinoni.

## Notice To Subscribers

A new Federal ruling by the War Industries Board states that newspaper subscriptions must be paid in advance, or discontinued on date of expiration, effective October 1, 1918.

Kindly give this matter your prompt attention, if you are not paid in advance, to avoid delays and inconveniences.

This ruling is part of the nation wide plan to conserve the supply of white paper.

It positively prohibits publishers from sending unpaid for newspapers through the mail after October 1st.

## DO NOT BURN STRAW

Santa Rosa, Cal., Sept. 9th, 1918.—My Dear Mr. Editor:—Will you please give publicity to the following communication of an imperative nature recently received by me.—Very Truly,

EMMETT SEAWELL.

Hon. Emmet Seawell, Chairman, Sonoma Division, State Council of Defense, Santa Rosa, Cal.—Dear Sir:—From information that we have been gathering it seems imperative that straw of any kind should not be destroyed.

The Government and the stock men of California are in the market for fodder and forage, what quantity is not yet determined. But, in the interim, I request that you notify the growers in your section through the press that the burning of straw at this time is regarded by the State Council of Defense as an unpatriotic act detrimental to the Nation's present needs, and the State Council further gives notice that such practice should be immediately stopped while the present emergency stock fodder condition exists.

Very truly yours,  
CHAS. C. MOORE,  
Director State Council of Defense of California.

County Clerk Felt notified A. Be-retta and Geo. Breitenbach last week that they had been named County committeemen for all three parties, Republican, Democratic and Socialist. Pretty representative citizens, eh?

## Put Rolph on the Ballot

THE GUBERNATORIAL election muddle continues to vie with the war news on the first page of at least one San Francisco paper which is panic stricken for fear Mayor Rolph whom it did not support and does not want to see elected will get his name on the ballot in November. Meanwhile the thousands of California voters who cast their ballot for Rolph are determined that they will not be disfranchised. That is the only important point of the whole controversy for a law which does not protect the voter in his sacred privilege in a democracy such as ours is a mere bubble. There is no substance whatever to a law pretending to embody the rights of people participating in this government if those rights are not guaranteed and upheld. Such law is hollow mockery. A man of Stephens much touted principal and his evident manly character surely seeks no pedestal held up by camouflaged strength. Such a man surely would not wish to pose as the choice of the people when as a matter of fact thousands of these same people were denied their inalienable right to choose a man for governor of California.

We believe since the contest has narrowed down to Stephens and Rolph that the Republican candidate should use his every influence to make an above board fight for the office with the mayor of San Francisco who is the only real contender. Then in the event of his election, Governor Stephens would have an honor worth having and would have gained the respect and admiration of every voter in the state. Regardless of political gamsters who are inflaming followers of party politics, the people generally call for a square deal and a way must be found whereby they can get it.

## Why The Super Brand?

OUR ALLY ITALY sees the folly and injustice of the drastic prohibition measures in this country which will injure the wine and grape business of the Italian people who are helping to win the war, giving their lives and money to it and yet are to suffer through the deliberate legislation of ill-advised and narrow representatives of the American people. Through its ambassador, Italy voices a protest from across the water which should be heeded.

To throttle business under the pretext of war necessity is an idiosyncrasy hard to digest, for stimulation of business is what will assure and guarantee success quicker than anything else. The effect of drastic prohibition measures on business and the attitude of those deprived of incomes when it comes to enrolling them for bonds and other war help is not hard to conjecture. Let us hope that the points of view of war law-makers and the people in this country who will be injured by the drastic slashing of their incomes, confiscation of their means of livelihood and infringing of personal liberties can be reconciled. If these people can be convinced that such measures are necessary for the successful prosecution of the war and are not promulgated as prohibition persecution, they will suffer any deprivation, giving according to their reduced means, probably more readily than those who will be taxed to make up for the colossal loss in revenue, for many such will pay the penalty of their realized "dry" hobby grudgingly. Our grape and wine people are big hearted, generous, broad-minded patriots for the most part and they cannot understand with all the experience of our allies, that the United States sees fit to try out new wrinkles to speed up industry, save fuel and make man power more efficient. Either we are under-grade in manhood, will power and responsibility or else our chiefs aim to turn out super men, though the makers of super men unlike the Maker of just men would be lacking in Christian forethought and charity. We believe that Divine Providence fashioned Americans just right to join the allies in winning this war. We do not believe the super brand would hitch half so well with the Italian, French or English. The alliance is pretty good as it is and time only is needed to demonstrate the combined efficiency and ultimate victory.

## In Justice To a Ford

A FORD! A FORD! my kingdom for a Ford, that is going to be the latest battle cry of the Republic now that all manufacture of Fords has been discontinued until after the war. Fords will surely be at a premium and yet for a long time they were almost the kind of premiums you would expect to get with a package of mush or something of that sort, that is if we were to take the slighting "tin Lizzie" epithet seriously. But the despised brute is coming into its own and any one who now owns a precious Lizzie should rejoice, for she has riz in popular appreciation and price.

Over in France, our soldiers write that they are indeed proud of Lizzie's behavior. The Fords are the backbone of some of our best units. They are saving lives and making records every day.

The American road louse is no car, it is just a machine, but if anyone believes a Ford is a couple of spoons and an old tin can, let 'em just wind up all such yarns on the spool of disillusionment and can the thought that Lizzie is despised. She may not be related to Dame Fashion but she is a damn sight cheaper, more practical under many conditions and an all round traveler. She does not wear her engine on her sleeve but she's got the innards that make for success the world over. N. B. No, the Ford agency did not pay us for this boost but we've got a Ford we would like to boost about 200 notches above the price we paid for her two years ago. Will meet all comers.

### FORTY DOLLARS A TON FOR WINE GRAPES

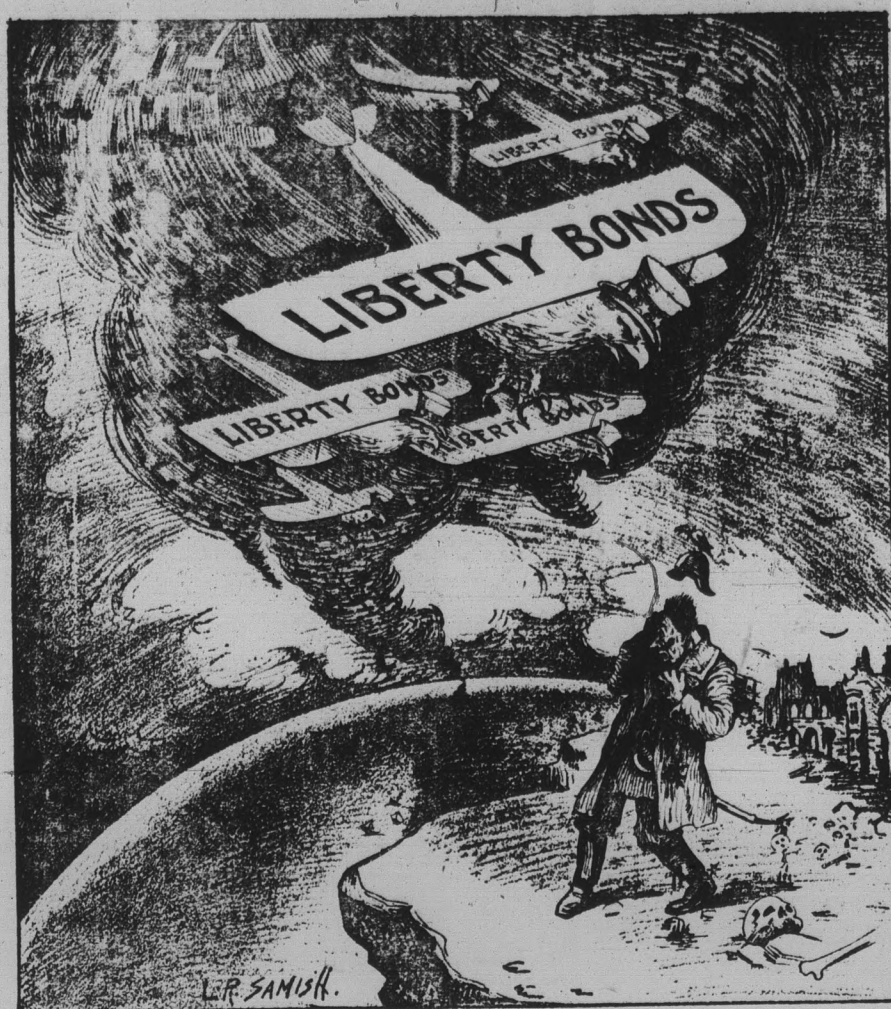

The price for wine grapes to be paid here this year is \$40 per ton, by both the Migliavacca Wine Co., and the California Wine Association. This is the biggest price ever paid for wine grapes in this valley, or in fact in the State.

The Migliavacca Company will begin crushing next Tuesday, and the California Wine Association about the 25th.—Napa Register.

### FETTERS SPRINGS DRYER AND DRYER

With the discontinuance of the water plant at Feters Springs, it certainly looks like the popular resort is going dry. As a matter of fact, however, W. H. Turner will supply the customers there with water instead of F. S. Ryus, who has decided to go to war and has asked the Railroad Commission to allow him to discontinue his plant.

## Ruin In Its Wake

"Five Million Men in France!"

If the Americans at Cantigny, at Chateau Thierry, along the Marne and around Soissons, has proved a whirlwind which von Hindenburg could not withstand this year, what will be the German terror when "Forward to Victory" rings out next year to armies that hide the plains.

The rich blood of sacrifice already strengthens the soil of American resolution from which will spring the flower of triumph. The sacrifice abroad must be met by sacrifice at home. No effort we at home can make will approach the price paid willingly by those who do not return from the battle for Democracy.

Register the measure of your support by your oversubscription of your quota of the Fourth Liberty Loan.

## MRS. MARTINONI LAID TO REST

Beautiful Flowers and Large Funeral Attest Respect and Love of Relatives and Friends.

Mrs. Matilda Martinoni, known and beloved by a large circle of friends was laid to rest last Sunday in Mountain Cemetery where her last resting place was heaped high with some of the most beautiful floral pieces and flowers seen at a funeral here in a long time.

The friends and loved ones gathered at the Toscano hotel about 1:30 p. m. and there surrounded by her beloved children, grandchildren and great grandchildren, the remains of the much respected lady rested peacefully in the handsome casket amid a wealth of carnations, roses, lilies and the season's loveliest flowers. Sorrowing friends paid their last respects to the deceased and offered words of sympathy to the bereaved family after which mourners and friends proceeded to St. Francis church where simple but impressive services were held. Rev. T. P. Moran spoke eloquently of the deceased and the spiritual life in which she had abiding faith. The funeral procession then wended its way to Mountain cemetery where the last sad rites for Mrs. Martinoni took place.

On Monday a solemn requiem mass was celebrated at the church for the repose of her soul. Deceased was the loving mother of Mrs. S. Cucci, Mrs. H. Castagnasso and Peter Boccoli and aged 74 years.

### CHIMNEY FIRE YESTERDAY

A chimney fire endangered the Peterson home, on Patton street, yesterday morning. Mr. Peterson was making butter, all unconscious of the danger, when passersby turned in the alarm.

Our firemen were quickly on the job and put out the blaze. The schools here opened last Monday with splendid attendance.

Michael A. LeBrun, popular automobile man of Santa Rosa will wed Miss Ethel Lillian Knott, September 15th in San Francisco at a pretty home ceremony at the home of Mr. and Mrs. Amiel H. Brod, 614 6th Avenue with whom the bride has made her home for many years. After a brief honeymoon trip South, the couple will reside in Santa Rosa.

The popular couple first met here at the A. F. Hopke ranch, so the romance had its beginning in "the valley of the moon."

### JUDGE JUSTI DISPOSES OF LAW BREAKER

Mrs. Moyer who was arrested and found guilty of violating the county ordinance relative to dancing in or near a bar room was given a fine of \$10 and 90 days, the latter being a suspended sentence contingent on the lady leaving Glen Ellen pretty pronto. She beat it and the Chauvet has been re-leased to Mr. and Mrs. Clark.

Mrs. Moyer besides allowing dancing in the hotel bar room is also said to have been a heart smasher, and caused considerable concern to at least two former happily married wives.

Judge Justi disposed of the case in an expeditious manner.

James McElney quotes the following clever verse and its sentiment sure appeals to the editor: "He who from his printer doth retain one cent.

Shall never reach that happy land where old Elijah went". Needless to say, Mr. McElney lives up to the admonition and judging by his dealings with us, will get to Elijahs land sure.

Our firemen were quickly on the job and put out the blaze.

The schools here opened last Monday with splendid attendance.

## FIRE MENACES RESIDENCE DISTRICT

Watters House Has Narrow Escape From Destruction Last Sunday.

At 8 o'clock last Sunday morning smoke was discovered pouring from the upper windows and gables of the Watters residence on Second street East and it was only due to the prompt and brave action of the local fire fighters that the beautiful residence section in that part of town did not suffer a general conflagration.

The Watters house is a tall structure surrounded by small bungalows and had the flames gained headway, a disastrous fire might have resulted. As it was, the firemen soon had the conflagration under control and cool headed work and good judgment in locating the fire and getting at it with hose and water from the roof, saved the handsome house and the neighboring buildings from destruction.

The fire was caused by an overheated electric water heating system. The furnishings of the house were carried out to safety and the loss is confined to fixing the interior of the building and roof. Mr. Watters carried insurance which will cover the damages.

LOTS OF JAZZ TO OUR ADS

A popular and successful business man hailed the editor the other day and beseeched him to cut out a classified ad which he had inserted in the Index-Tribune in order to sell some household goods as inquiries purchasers were still coming in droves to buy the stuff which the first insertion sold. "Index advertising is all right" declared the advertiser "only the power of it is too much and it lasts too long. I sold the stuff right off and people are bothering h— out of me yet". I will have to advertise help wanted to shoo off the buyers" confided our satisfied customer.

Nuf sed, Classified advertising in the Index columns does the business.

Supervisor and Mrs. Harry Weisse have commenced the construction of a pretty home on their ranch near Glen Ellen. They were burned out last year.

Mr. and Mrs. Stanley Erasmus are to join the Sonoma motorist colony having purchased a Ford.

There is considerable probability that a salvage shop for the Red Cross will be started here. Mrs. A. W. Adler is taking an active interest in the matter.

## VINEBURG

Misses Margerite and Elizabeth McDevitt of Sonoma were the guests of their aunt, Miss Adele Andeux this week.

Emile Batto was the guest of San Francisco friends on Sunday and Monday. "Dats a good-a."

On last Saturday morning a merry party started from Batto's Spur to enjoy the beauties of the Sierra Nevada for a few days.

The party consisted of Mr. and Mrs. Fred Batto, Misses Loise and Emily Batto, Frederick and Herbert and John Batto, Mr. and Mrs. Chas. McDevitt and son Francis. The trip was made in honor of the fifteenth anniversary of Miss Emily Batto's birthday, September 8th, and the "little lady" celebrated the day with her friends along the beautiful and varied-colored waters of Lake Tahoe. After visiting Donner Lake and all the points of interest in that historic section, after an absence of five days returned home on Wednesday evening.

During the month of August there were 110 straight carloads of green fruit shipped from Vineburg station. Mrs. Fuller Roach was the guest of her parents, Captain and Mrs. Bosch, on Sunday and Monday last. Mamie does not forget old Vineburg.

Henry Regal, the well-known and popular clerk at Louis Lamotte's Villa, El Verano, was the guest of Louis Martin on Thursday last and exchanged greetings with his many friends in this vicinity.

The following guests were entertained by Mr. and Mrs. John Batto Sunday and Monday: Mr. and Mrs. Romeo Mariani and children, Arthur Caldormi and Mr. and Mrs. August Figone and family, all of San Francisco. On Sunday the guests motored to Napa Valley in Mr. Figone's Willys Knight car and took in the many points of interest over there.

## HEAVY RAIN DURING THURSDAY AND FRIDAY

An unprecedented fall of rain all day Thursday and Friday was a September surprise in the valley. The fall was over two inches and some damage is likely to follow, as much dried fruit is on trays and tomatoes are ripening.

Grapes are not effected but the horticultural commissioner advises all vineyardists to apply summer pruning to avoid mould or rust.

## FOCH, MARSHAL OF FRANCE, AND GEN. PERSHING

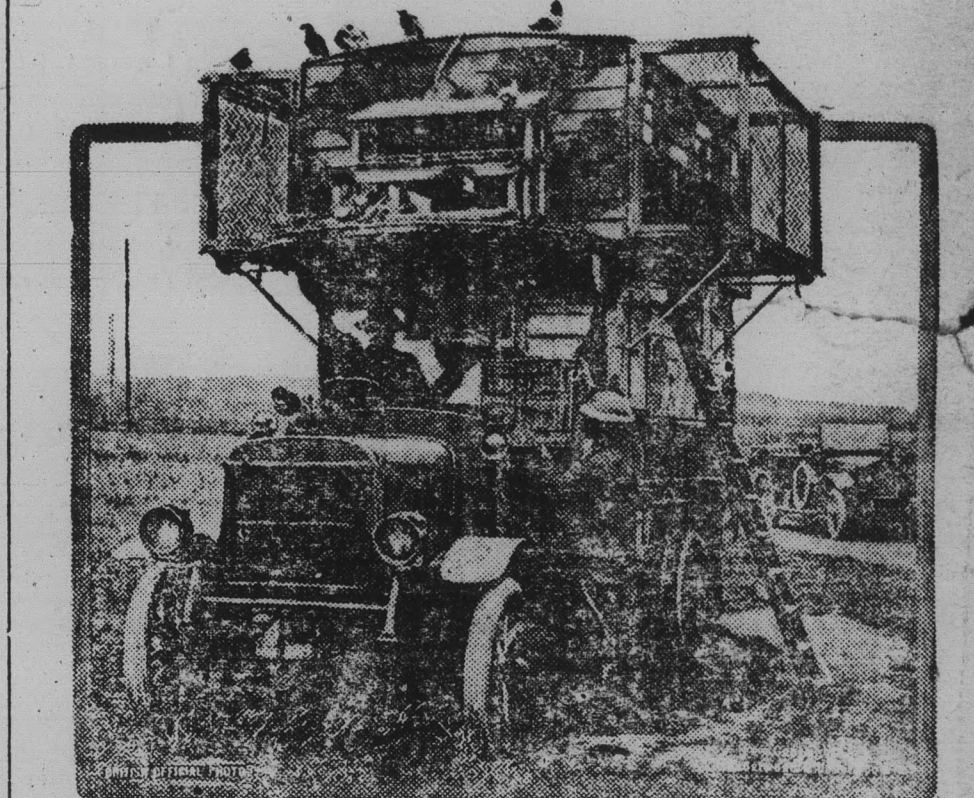

"At the hour when the enemy counted upon imposing a German peace upon us, General Foch and his admirable troops vanquished him."

These were the words with which Premier Clemenceau, the "Tiger of France," accompanied the bestowal upon General Foch of the ancient and honorable title of Marshal of France, in recognition of the halting of the German drive by the allied chief commander.

All the world knows of the gallant conduct of American troops, distributed along the firing line under the orders of General Pershing, in the great battles which ended the Hun advance.

The next German drive will be toward the Rhine. YOU can have a share in it by buying Fourth Liberty Loan Bonds.

## ARMY PIGEONS GOING TO FRONT

Carrier pigeons are a valuable factor in the operation of all the allies, never failing to carry a message safely and quickly from the front unless actually killed by shell fire.

They are used at the most critical stages of battles, when all wire communication has been stopped and the barrage is too thick for runners.

Here is shown a motor-transport formerly a London bus, loading up with carriers to go to the British front. The casualties among the birds average 2 per cent. They are wounded by enemy shells, attacked by hawks, and suffer from gas.

They live in gas-proof baskets and when gassed are treated at a hospital. There is also a pigeon cote for captured enemy birds.

A very tiny share of your Fourth Liberty Loan subscription will go to the pigeon service, but none will be more efficiently spent.
